

## Product Change Notice

### FPC-15W Version Change

- **Notification #:** 2009080001
- **Date of Publication:** Aug. 31, 2009
- **Affected Model:** Listed Below
- **Change Description**

Due to the fast movement of widescreen panel of 15.4" WXGA, the original CMO N154I4-L01 has been phased out. To keep serving Avalue's valuable customers, the FPC-15W series will be revised to A2 version with a tiny mechanical modification and the better specs of the industrial grade panel. (Please see the differences as attached below.)

For those customers had phased in the A1 model, Avalue still keep the promise to take care of the technical support by experienced FAEs and the RMA by reserving the spare parts and stocks in advance.

Above changes will be implemented by "Running Change". Therefore, there could be 2 different exterior look in one shipment.

- **Customer Impact of Change and Recommended Action**

Please review this information carefully and note that products listed below will be affected.

Mode	Description
FPC-15W01 A1 Series	15.4" WXGA TFT Touch Panel PC with Intel® 945GME solution
